**Artback NT** is looking for a new Visual Arts development and touring team to continue our strong history of co-creating and presenting exhibitions and programs to audiences in the NT and around Australia. We are the NT representative in the National Exhibitions Touring Support network (NETS). Our Visual Arts team collaborates with artists, curators, organisations and communities to reflect and share Northern Territory stories, art, and place.

These two exciting positions make all that happen.

### **Visual Arts Manager. 4 to 5 days a week. Mparntwe (Alice Springs)**

Lead Artback NT's strategic multi-year visual arts program, showcasing a diverse range of NT arts and artists, through exhibitions touring to remote, regional and metropolitan galleries. Your experience and skills in planning, curatorial development, exhibition design, grant management, and stakeholder relationships will shine!

### **Visual Arts Coordinator. 3 to 4 days a week. Mparntwe or Garramilla (Darwin)**

Support the visual arts program delivery, particularly in planning tour schedules, organising logistics, briefing marketing and social media campaigns, preparing tour documentation, and managing budgets and reporting. You'll be a confident all-rounder with a deep interest in the visual arts, a passion for connecting with people, and a determination for getting things done!
