Smooth, deep vocals, catchy riffs and the classic reggae double keyboard all come together beautifully to capture the crowd and take them on a storytelling journey together.

ALBUM LAUNCH 2021

Eastern Arrernte Band's music brings people together where they're playing live, making us dance up a sweat! They're a talented group with great voices and musicianship. Sunday's album launch was such a fun gig to attend for Desert Fest 2021 in Mpartnwe.
