CAITI BAKER: BEYOND THE DUST TOUR

Listen to Caiti Baker's new music before the rest of Australia!

Don't miss Caiti Baker's unique voice, eclectic musical style and new music in her **Beyond the Dust Tour** this March. Caiti Baker is one of the Territory's most outstanding musicians and will be unleashing new tunes as she heads up the Stuart Highway from Alice Springs to Noonamah and then across to Gove.

Louise Partos, Executive Officer, Artback NT said "It is really exciting that we are able to tour Caiti's new work to Territory music lovers before being released nationally. Caiti has been working on a suite of new music during the second half of 2018, collaborating with Sixfour, musician brother duo, John and Paul Bartlett. This is an outstanding opportunity to hear her new work and bring Caiti as a solo artist live to Alice Springs, Tennant Creek and Gove for the first time."

A vocalist and front woman raised on the sounds that birthed popular music, Caiti Baker was born into a household filled with vinyl, CDs and tapes of blues, soul, gospel, jazz, big band and rock & roll. Her father, a blues musician himself, made sure that she was raised amongst music. Whilst showing influences of those styles, Caiti's music is clearly her own.

Writing songs about what she knows and feels, and singing with her soul, Caiti unashamedly performs the hell out of them! Jean-Eddy Moutou, Foldback magazine said "[she has a voice which] breaks the stratosphere with some high octave magic in parts, making her a standout vocalist amongst her contemporary peers, Caiti has the moves, the grooves and voice to take this act all the way to the top ..." Watching Caiti live is an unforgettable experience, you will find yourself drawn into her world.

Following the release of her first album *Zinc* in 2017, Caiti has been taking Australia by storm - winning Best Live Voice in the NT at the National Live Music Awards in 2018 and Best Blues and Roots Song, NT Song of the Year 2018 for *I Won't Sleep*. The Daily Telegraph said "Baker has a swaggering voice to rival that of Adele".

Caiti Baker said "I've been playing all over the place nationally and it is fantastic to come home and play my new tunes in the NT for everyone to hear first – just how I like it! It will be great to see people's reactions for the first time as they listen to what I have been working on, switch it up and bring some fresh blood into the set."
